FORM AP-14: Import Confirmation Report of Equipment & Non-nuclear Materials

Reporting requirements are set forth in 15 CFR Part 783 of the U.S. Department of Commerce (DOC) Regulations and 10 CFR Parts 75 and 110 of the U.S. Nuclear Regulatory Commission (NRC) Regulations.

INSTRUCTIONS:

Submit Form AP-14 if BIS or NRC requests you to confirm receipt of specified equipment or non-nuclear material at your location pursuant to an IAEA request. This information will help the IAEA to verify that you received the equipment or non-nuclear material at your address that was specified as an export in the declaration from another country.

Question 14.1 Reporting Code: Provide the Reporting Code, assigned by BIS, that was reported to you after your Initial Report was received. If you have not previously reported information to BIS, a reporting code will be assigned and provided to you with the request for this information.

Question 14.2 Place Where Activity Occurs: Identify building name(s)/number(s) and any additional information that may more precisely define where the specified imported equipment or non-nuclear material is/was located (e.g. room numbers). If many rooms are used, you may describe areas within the building (e.g. 1st floor of the north wing).

Question 14.3 Type of Imported Equipment or Material and Annex II Reference Number: Provide a brief description of the equipment or material imported and reference the paragraph number from Supplement 3 of this guidance that covers

the imported equipment or material.

Question 14.4 Date Import was Received: Provide the date (in mm/dd/yyyy format) on which the specified equipment or non-nuclear material was received at your location. If the equipment or material in question was never received at your location, indicate so by entering “not received” in the space provided.

Question 14.5 NRC License: Check the box if this activity occurs within a location subject to a NRC or an NRC Agreement State license or is otherwise subject to inspection under NRC regulations (10CFR).

Question 14.6 Response to IAEA Import Information Request: Provide any further information that responds to questions submitted by the IAEA and that would clarify/further confirm that the specified equipment or material in question was or was not received at your location. Use Form AP-16 if additional space is needed.

Question 14.7 Continuation Form: Check this box if a Continuation Form, Form AP-16, has been used to provide additional information for any of the above questions.
